

serial\_port\_get\_status

```
graph LR; A[serial_port_get_status] --> B[util_sys_inb]; B --> C[sys_inb];
```

A flowchart with three rectangular boxes arranged horizontally. The first box on the left is dark gray and contains the text 'serial\_port\_get\_status'. A blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text 'util\_sys\_inb'. Another blue arrow points from the right side of the second box to the left side of the third box. The third box is white with a black border and contains the text 'sys\_inb'.
